(RCA - VICTOR SOUND USED HERE SUPPLIED BY US)

LEGION OBJECTIVE

In 1946 Dallastown had a great Home Coming Celebration for the service men. It proved to be such a big success that the Legion wishes to continue the community spirit shown at that time.

The Legion Objective is a civic one for 1947. Over a year ago a campaign was launched for a new high school gymnasium. The school needs a new gymnasium and the town needs a better assembly hall. To help this worthy cause the Legion will donate two thirds of its net profit from a carnival that shall be held the third week in September. It is the desire of the Legionnaires that this event become an annual affair in the town.

Your cooperation in this civic enterprise will help the Legion which in turn supports the civic work of Dallastown. Citizens of Dallastown and friends let us forge ahead for a bigger and better town.

The committee expresses their gratitude and appreciation for the splendid cooperation and effort put forth by all organizations and individuals, who will have made this, our Second Annual Carnival, a huge success.
